Pauntley Court, located in Gloucestershire on the edge of the Cotswolds, is a unique country house wedding venue sleeping up to 24 people on-site. We offer exclusive hire of the house and grounds for a whole weekend, so you and your family can immerse yourself in the historical charm of the venue and quintessential English gardens. With six outdoor and two indoor licensed ceremony spaces and a Norman church next door, you will find the perfect space to get married.

We have put together this pricing document to help you with your wedding planning. Please do contact Melissa if you might like more assistance.
